TRANSITIONS PROGRAM

Transitions is a free program of Hospice of Marion County designed to provide non-clinical support and practical assistance for those who have a life-limiting illness. Support is offered through volunteer visits and phone support. For more information please call (352) 854-5200.

AvailaCare

Palliative care is a holistic approach for individuals of any age who have a chronic, life-limiting illness. The Palliative Care team works with a patient's physician to determine the best medical plan of care.

Palliative care can manage pain and symptom control, enabling you to enjoy a high quality of life...and that's what it's all about. For more information please call (352) 291-5881.

Hospice Care

... is a philosophy of comprehensive compassionate care for those in the final stages of life. At **Hospice of Marion County**, our mission is to provide exceptional support for patients and their families in the comfort of their own homes—86% of our patients are able to spend their last days in the place they call home. **Our goal is to provide this professional service of pain relief and symptom management to as many people as possible, so that everyone may live out their days with the highest quality of life possible.** For more information please call (352) 873-7415.

Accent Medical

Since 2002, Accent Medical has served our community by providing exceptional service in the delivery of high quality medical equipment and supplies. We are committed to compassionate patient care, education to patients and families and a fast response time to serve our customers.
