Featured Volunteers—Accent Medical

Nominated by Mike Ratner and Mary Lopez

“Ron and Donna Barnard volunteer together as a duo re-packaging supplies at the Accent Medical Warehouse. Donna was a long time employee in the Pharmacy before she retired and joined her husband, Ron, who has been a volunteer for 10 years.

Ron & Donna Barnard

Ron has done many projects at Accent Medical and has logged about 1500 hours over the years. He painted the interior of Accent’s warehouse as well as the offices.

Ron hung our “iconic” blue sliding curtains in front of our warehouse overhead doors.

Ron has custom-built cabinets to store files in both warehouses. Ron built an enclosure for us to store donated equipment when we were low on warehouse space. Ron helped install metal sheeting and other infection control related items in the interior of our company vehicles.

Both Ron and Donna are willing to help do whatever is needed. They both are wonderful volunteers at Accent Medical.”

Volunteer Holiday Lunch

Announces the E.L. Foster, Jr. Volunteer Services Program

Over 210 volunteers attended one of our Holiday Lunches. Our program included a review of the history of our volunteer program. We also recognized a significant gift made by Josephine Foster in honor of her husband, E. L. Foster, Jr.

In addition to serving as Mayor of Ocala, Mr. Foster served on the HMC Board of Directors. His volunteer legacy also includes many community improvement efforts including Horse Fever (painted horses that give Ocala a special identity), the Appleton Museum of Art, Historic

Ocala Preservation Society, Munroe Regional Memorial Hospital, Ocala Civic Theater and others. The photo shows the plaque presentation by Mary Ellen Poe with Josephine and daughter-in-law Pam. The plaque will be mounted on the wall next to the door closest to the Volunteer Services Dept.
