VOLUNTEER DEPT. UPDATE

June Featured Volunteer—Jasmine Square Thrift Store

Joan Metzler

Carole Sicoli and Carole Ann Cunningham nominated Joan. "It is my pleasure to honor and nominate Joan Metzler as Featured Volunteer for the Jasmine Store. Joan has been with us a number of years. She works well with her peers and is a tireless worker in processing our donations.

Even though she has gone through a medical crisis this year, Joan has demonstrated her ability to be positive and happy in the face of adversity.

We are truly blessed to have her as a volunteer. Carole Ann calls her our 'ever ready bunny' - her batteries never run out!"

New Key Words: Remember your A, B, C's.

Always **B**est **C**omfortable

We have recently updated some key words that will help us focus on providing great customer service and these words will be part of the new survey family members receive after a patient passes. There are many ways we can incorporate these words into our communication. Here are some examples.

"We do everything we can to **always** provide the **best** possible care so all of our patients are **always comfortable**."

"We want to **always** give the **best** customer service at our stores so customers are welcomed and **comfortable** and want to return."

"We **always** want to do our **best** as volunteers in every area of service."

See if you can think of some creative ways to incorporate them in your daily life!
