## Featured Volunteer—Patient Support

Joyce started out as a caregiver for her husband who was on Transitions. After her caregiving ended, she had a passion for hospice and joined the volunteer team 3 years ago in July.

Joyce is an advocate for hospice. She is an Ambassador for her community in Stonecreek referring and informing people about Hospice of Marion County (HMC) and Transitions. Joyce also visits at Legacy, sits with patients for 11<sup>th</sup> hour Vigils, helps with Pet Peace of Mind, and assists with the Reflections program.

**Joyce Snyder**

But where she really shines is in her visits to the Assisted Living Facilities. Joyce and her “fur baby,” CJ, go into facilities and spread the joy of pet visits and companionship. Joyce is well known in the facilities she visits and is a pleasant visitor. CJ is a superstar who brings smiles to everyone’s faces.

Joyce is approachable, friendly and always willing to share ideas. Her passion for HMC & Transitions is what drives this lady to be available for all who need her.
