Featured Volunteer—Pharmacy

Nominated by Mike Sever and Audrey Kyzer

Beverly has been a volunteer with us in the Pharmacy for the past two years. She always arrives with a smile and takes an interest in everyone.

She helps out two days a week, and happily completes any task we put before her. She keeps our archive files in order and prepares folders for us, as well as preps supplies for patient care kits.

“Beverly is the most conscientious volunteer I have ever worked with.” says

Beverly Spell

Audrey Kyzer, Lead Pharmacy Technician.

Mike Sever, Pharmacy Manager praised her by saying, “Beverly has become a valued part of our staff, and a ‘cherished member’ of the pharmacy family.”

She has also volunteered in other positions within the company before coming to us and she still participates in the sewing program. She logged 580 volunteer hours last year.

Last year Pharmacy staff enjoyed attending her 80th birthday party, given by her daughters.

She made her living as a baker before retiring and often brings us homemade goodies.

Many thanks to you, Beverly, for all you do!
