

Kathy Wagner

Coordinator, Crisis Care Staffing

kwagner@hospiceofmarion.com

Roper Hospital School of Practical Nursing—LPN

Kathy's role includes staff scheduling, primarily for the nurses who provide crisis care (24-hour) for patients in acute situations. Her experience has allowed HMC to expand the Crisis Care program, which provides exceptional patient care while adding vital support to caregivers. Before coming to HMC, Kathy worked with Vitas, a for-profit hospice, where she also served in crisis care, scheduled visits, on-call staffing and human resources.
