

Michael McDonough

Dietary Manager

mmcdonough@hospiceofmarion.com

Delhi Tech University—Hotel & Restaurant Management

ServSafe Certification

Mike's strong skills in kitchen management and food preparation, as well as administrative supervision, are an ideal combination for his oversight of the kitchens at all the Hospice Houses, in addition to special events.

Being mentored in New York City with world-class chefs, particularly a top-notch chef at the Waldorf-Astoria, provided him with excellent experience. He has cooked at Hacienda Hills Country Club in The Villages and at SummerField Suites before being promoted to a house chef and eventually Dietary Manager.
