## **Annual Gifts Manager**

[cmoody@hospiceofmarion.com](mailto:cmoody@hospiceofmarion.com)

Cindy is passionate about the mission of Hospice and manages the Annual Campaign to broaden our base of annual givers. Cindy's responsibility is to identify those in our community who have been touched by Hospice and are inspired to give back. She plans special events to recognize our annual givers, identify potential donors and inspire them to give. She represents Hospice of Marion and speaks at educational events in order to inform our community about the wide range of programs that are available to them through Hospice of Marion and how much their donations help others through Hospice of Marion.
