On-call Coordinator**

hflanders@hospiceofmarion.com

Central Florida Community College—RN

College of Central Florida—BAS, Business and Organizational Management

Specializing in Healthcare Management

Henrietta manages the clinical team serving primarily the eastern half of the county.

She oversees an interdisciplinary group of professionals who provide services for patients and families.

Henrietta has more than 20 years of health care experience; 13 years as a registered nurse with more than eight of those years at HMC. Her previous experience includes Tel-Med, skilled nursing, emergency room and as a traveling nurse.
