University of San Diego, BSN, nursing

Mary is an ARNP for the Center for Comprehensive Palliative Care (an LLC of HMC), bringing with her 40 years of experience in nursing higher education, administration, critical care and palliative care. Mary has lead teams in advanced care planning for patients, and has taught nurse practitioner students assessment and intervention skills for family health care throughout the lifespan. Mary is a member of the tumor board, and Cancer Quality Committee at ORMC; she participates in IDT rounds in the ICU and Intermediate Care Unit at MRMC.
